Gas central heating

Outside there is the old playground which can be accessed by the bar area

Accessed from the playground is the children's playground for the village

Parking is round the village green, we ask visitors to park with care and consideration to people who live round the green.

Main Hall Facilities

Capacity:

100 people seated theatre style

50 people seated cabaret style plus a table on the stage.

Cushioned chairs and trestle tables stored under the stage (instructions for stacking can be found on the doors of the stage.)

Bar and Conservatory

There is banquette seating and small round tables with bar stools. Double doors lead out on to a patio and hard standing.

The bar is equipped with different glasses, two fridges, a sink for washing up.

Kitchen Facilities

We have a large, well-equipped kitchen with. A serving hatch (accessible from main hall)

- Two modern electric ovens with large electric hob

- Catering dishwasher

- Two under counter fridges

- Microwave

- Water boiler (for tea/coffee etc) and assorted kettles

- Stainless steel heated food trolley

- Food preparation areas and separate sinks

- Crockery, cutlery and glassware for water.

Note, we **do not** have many serving bowls or cookware (pots, pans etc), as they tend to be “borrowed” and not returned.
